

MCRC FROST CALL 009-02 DATED 11 JANUARY 2002
(Change 1 dated 30 Jan 2003)

From: Commanding General, Marine Corps Recruiting Command

Subj: MOBILIZATION OF THE SELECTED MARINE CORPS RESERVE (SMCR)
ENROLLED IN THE PLATOON LEADERS CLASS (PLC) AND OFFICER
CANDIDATE CLASS (OCC) PROGRAMS

Ref: (a) MARADMIN 465/01
(b) MARADMIN 440/01
(c) M plan
(d) MCO P1100.73B, MPPM vol III

1. References (a) and (b) contain guidance for partial mobilization of SMCR units based on current operational requirements. Reference (c) is the Marine Corps Mobilization Management Plan.

2. This frost call pertains to candidates that are in the PLC/OCC pool. Current events have surfaced the possibility of activating units and/or members of the (SMCR).

a. Upon unit activation individuals, who are obligor and actively drilling in a SMCR unit, are required to be activated with their respective SMCR unit. This includes drilling reservists who are members of the PLC program and drilling reservists who are selected for an OCC class.

b. Drilling reservists either selected for OCC or enrolled in the PLC Program will not be activated with their units if they have orders to, or at OCS at the time of unit activation. These Marines will be eligible for activation upon graduation of OCS and return to a drilling status unless commissioned at the time of graduation. (Chg 1 dtd 30 Jan 2003)

c. This does not pertain to once-trained PLC members who have elected not to drill with a SMCR unit.

3. Effective immediately all Officer Selection Officers who have SMCR members in their PLC program will take the following action upon a SMCR member being involuntarily called to active duty, and, in which the member wishes to remain in the PLC program:

a. Contact the unit to ensure that it is not a voluntary call to active duty.

b. Obtain a copy of the Marine's Orders.

Subj: MOBILIZATION OF THE SELECTED MARINE CORPS RESERVE (SMCR)
ENROLLED IN THE PLATOON LEADERS CLASS (PLC) AND OFFICER
CANDIDATE CLASS (OCC) PROGRAMS

c. Forward correspondence to MCRC (G-3OP), requesting retention in the PLC Pool Program while involuntarily activated. Enclose a copy of the Marine's Orders. For pool reporting purposes these individuals will not be included in any particular FY pool, but as a footnote to the report.

d. Upon return from active duty, forward correspondence to MCRC (G-3OP), requesting that SNC be returned to the PLC pool. Enclose a current copy of the candidates Academic Certification Form which indicates current enrollment in a regionally accredited institution with the new graduation date.

4. Effective immediately all Officer Selection Officers who have SMCR or IRR members of the PLC program who voluntarily accept orders to active duty funded by ATD money or man days by the reserves will take the following action:

a. Forward correspondence to MCRC (G-3OP), requesting disenrollment of the candidate due to voluntarily accepting orders to active duty. These members will have to be disenrolled because of their decision to drop out of school, or discontinue full-time status, which is a basic requirement for the program.

b. Upon return from active duty, the Marine can apply for re-enrollment using the procedures outlined in reference (d).

5. No incentive or financial programs will be authorized for activated Reservists in the PLC program.

6. Point of contact at this office is Maj Wilson at (703) 784-9449.

D. L. MCMANUS
